

# The Most Flourishing Period in Our Area

**1978:** The beginning of the Tourist Industry. Four years after the

Turkish invasion, the people of the free area of Famagusta District have to rebuilt their lives. Protaras in Paralimni and "Limanaki" (sea port) in Agia Napa have to play a

different role now. They have of the tourist industry. Locals Famagusta have converted destinations in Eastern Agia Napa beaches have been

to contribute to the expansion and refugees from the city of the areas to a major touristic Mediterranean. Paralimni and awarded with a **BLUE FLAG.**

## **Water Park in Agia Napa**

In 1996, the waterworld waterpark in Ayia Napa, was constructed. From 1996, until today more than 3 million guests have visited the themed park.

It is the largest in Europe.

## **Paralimni Lake**

The Cyprus grass snake «*Natrix-Natrix cypriaca*» is harmless and survives in Paralimni Lake. The grass snake is under extinction. The area has been designated. During winter time the lake hosts many flamingo birds.

## **Attractions, and Sights Seeing**

The metropolitan Church of Diocese of Constantias Ammochostou (Famagusta Area) is Saint George in Paralimni which it was built in late 60s. A lot of tourists visit the churches in Paralimni or "Monastirii" in Agia Napa. A walking

tour in our area will be a life time memory.
